

**Marc Savela, Vice President, Development**

Mr. Savela oversees all elements of the Land and Development process, including: the identification and assessment of potential properties; detailed management of due diligence, entitlement, platting, and final site designs; and direction of site development and construction activities. Mr. Savela serves on multiple metropolitan districts associated with several company assets, with a focus on community and development operations as well as public financing of district improvements. Marc is a member of the Management Committee, which provides strategic direction for the company.

**Experience** Prior to joining Broe, Mr. Savela was Sr. Director of Land Development for Brookfield Residential, where he spent twelve years in various positions - most recently Mr. Savela was responsible for the annual entitlement and delivery of approximately 1,000 residential lots. Mr. Savela has also served as the President for multiple residential Metropolitan Districts and Home Owners Associations, with extensive knowledge of community operations and public financing. Prior to joining Brookfield Residential, he practiced as a Civil Consulting Engineer designing residential, commercial, and municipal projects.

**Education** Mr. Savela is a graduate of the University of Colorado – Boulder with a B.S. in Mechanical Engineering with a Business Minor. Mr. Savela is also a registered Professional Engineer in Colorado.
